Dear All

In spite of the government changes regarding the easing of lock down, the advice from the Diocese is to carry as we have done, any changes been made will announce by Father

Below is a rota for the next couple of months, if you cannot make it please ask someone to cover for you.

One person will be needed collect track and trace names, one to allocate seats, and one to give out wipes to clean their seats before and after Mass.

We will carry on doing this as it saves us having to clean the seats after Mass

After Mass all door handles need to be cleaned and Father has asked that someone locks up. Can the person highlighted please be responsible for this.

If you are unable to make it can you please ask someone to cover for you?

Thanks for your help.
